Memories to share:

"When I was in second grade, I already could tell I was not popular. My mom packed me weird lunches, and I talked kind of funny. One day during recess, a second grade male asked me, 'are you a virgin?'. Obviously I was insulted and replied back with sass, 'no, I'm a Virgo.'"

Obituary (special thoughts to include):

Knowing her is similar to not knowing her.

Kailee attempted to appear and live as chill as possible, covering up a neurotic mind. Later in life, she aimed at giving off
